Dear Parents

As you know, we are constantly working to improve our school and the facilities that we provide. To this date, we have not supplied an 'Early Birds' club as there has not been enough call for it, however, if you feel that you would use such a club (from 8 or 8.15am until the start of school), please would you complete the form on the bottom of this newsletter and return it to me and I will endeavour to find someone to run it.

On the subject of clubs, we currently are offering ICT club and Arts and Crafts club after school and Football and Multi-Sports at lunchtime (to Fox and Badger Classes only at this stage). Are there any other clubs that you would like to see offered? Some of these could be free or reduced in cost, due to funding, and some would be payable to an outside agency. Also, do any of you have any skills that you would like to use in running an after school club? If you have any feedback on this, please would you let me know.

A few parents have asked about taking their child out of school for medical appointments. Obviously, we would prefer that such appointments are made for out of school hours, but we realise that this is not always possible, so if your child has such an appointment, please would you write a note to the class teacher with the time that you would need to collect your child so that we can have them ready. If they will not require lunch, please also let us know.

Finally, I would like to say a huge 'Congratulations' to Mrs Powell, our school cook. She has won the Commercial Services Certificate of Excellence for her cooking. We are very proud of her!

Best wishes

Birthdays

Jude Jones

HAPPY BIRTHDAY!

Please make sure that any ticket requests for the Murder Mystery evening or raffle tickets stubs are returned as soon as possible. Thank you!

We have a number of dishes in the staffroom which do not belong to the school. If you think these may belong to you, please would you pop in at drop off and pick them up! Thank you.
