No 9 Autumn Term
24/11/2009

Dear Parents

A HUGE thank you to everyone who helped to make Saturday evening a success. Everyone seemed to have a really fun time, the food was fabulous (better than celebrity chefs!) and the decorations looked wonderful. Well done!

As the weather deteriorates, more people will drive their children to school. We have been asked by the police to request that parents respect the rights of way of the neighbours and do not block their drives or park on verges or bus stops. We have a good relationship with many of our neighbours and we'd like to keep that, so please be considerate.

We've only had 4 responses with regards to an Early Birds club. Unless we get more, I couldn't consider running a Monday to Friday club. If you would like to participate in this, please send back your forms & I will try and set something up for next term.

Finally, we are getting out children's loos refitted. Starting on Monday with Hedgehog Class, each classroom will, by next term, have new toilets and basins. Please be aware that the workmen will be here from Monday morning and they will do a Health and Safety evaluation before they start and will ensure that all tools and equipment are kept away from the children. They will all have current CRB checks, however they will never be on their own with the children at any time.

I've attached the dates of events between now and the end of term for your information. It's all downhill from here.....

Best wishes
