No 1 Spring Term
5th Jan 2010

Dear Parents

Welcome back to school! I hope you all had a lovely break and are rested and ready for the new term. As you will see when our Field of Learning comes out later this week it will be a full one with lots of interesting and exciting activities planned for the children's learning.

As you know, the school has a School Fund which exists to enhance the children's curriculum and learning. We use it to subsidise the cost of school trips for all children (especially the coaches) to prevent them becoming prohibitive. We buy specialised books for themes for each class. Occasionally we are able to buy them small treats such as ice creams on school trips. As with all monies related to school, we are strictly regulated in how we account for this and we have to ask that you please send in any money (however small the amount) in a sealed, labelled envelope with your child's name on. This way we are able to definitely establish what money has come from whom. It is a very busy time first thing in the morning and loose change can easily be lost or forgotten about. Alternatively you can take the money directly around to the school office and hand it to Nicki or Sarah.

It only leaves me to wish you a happy and exciting New Year!

Best wishes

Thank you all so much for your kind gifts and cards. They are all very much appreciated (although maybe not by our waistlines!!)

Healthy Lunchbox Session

HAPPY BIRTHDAY TO YOU!

School Lunches

Lunch money is now due for the Spring term and is £55.10 until half term. Please may we remind you that Surrey Commercial Services insist that school lunches are paid for in advance and that they may not be able to feed your child if their account is not in credit. If you think that your child may be entitled to free school meals, please ask in the office (in strict confidence). We have a check list that we can look at to see if you are eligible.

SCHOOL CLOSURES

With the current freezing conditions & more snow forecast for tonight and tomorrow, it is possible that the school could be closed. If this happens, it will be announced on Eagle Radio 96.4FM and BBC Southern Counties. It will also be on the website and those of you on Parentmail will receive a text and email. We have been warned that if the text system gets busy that these may take a while to come through, so please do check your emails and the website. We will try to keep the school open if at all possible.
