No 3 Spring Term
19th Jan 2010

Dear Parents

Thank you again for your patience last week with the weather. Who would expect quite so much snow in Surrey! I would like to apologise to parents who did not receive texts through Parentmail. It would appear that when they input your details back in September they managed to miss out a percentage of the records that we sent to them. If you would like to receive emails and texts from school and are not already on the system, please talk to Nicki or Sarah in the office and they can let you have the form. We will input any remaining details to ensure that they go on correctly.

I am happy to say that music lessons will be starting in school from the 5th February. These will be taken by Sharon Burnham and are being paid for by our wonderful Friends. Initially, the lessons will be for the whole classes but we will be looking into the possibility of individual or smaller group lessons in due course.

Please may I remind you to let the school know if your child is not going to be in by 9.30 in the morning. Also, if you know that your child is going to be absent for any reason, please would you send in a note to let us know. Our attendance records are closely monitored by the Education Welfare Officers and any persistent absence will be noticed and followed up on.

If you have not collected and paid for your Nativity photograph, please would you do so at the school office as soon as possible.

Thank you
