No 5 Spring Term
2nd Feb 2010

Dear Parents

I am approaching retirement age and have decided, with much deliberation, that I will retire at the end of this school year. I have been at Meadowcroft for 10 years and the children and school have become an integral part of my life. So you will understand that this has been a hard decision to make. I have attached a letter from Paul Gibbs, our Chair of Governors, about this.

From time to time I ask parents to support the message from school. Currently the teachers & I are dealing with children playing too roughly after watching TV characters with super powers. I would be very grateful if you could please remind your child that they are not Ben 10 or a Power Ranger and that such play is not suitable for school.

In the Reception Class, we have started to encourage parents to notice when their child's school learning is taken into the home and to note it down on a piece of paper and let Miss McAlister have it. We would like to do this with the Fox Class and Badgers as it does help to encourage the children when their learning is noticed by Mum or Dad (or even Grandma or Granddad). If your child does do or say something at home that you realise they have learned at school, please note it down on a piece of paper and hand it to your class teacher.
Kind regards

Healthy Lunchbox Session

This has been rescheduled to Thursday 25th February from 9.15 – 11.15. It is an information-filled session designed to help you provide your child with as healthy a packed lunch as possible.

Please sign up in the office if you are interested in attending.
