No 6 Spring Term  
9<sup>th</sup> Feb 2010

Dear Parents

I must apologise again for the scaffolding and general inconvenience caused by the works on our school. The teachers are obviously having to park on the road as well at the moment, making parking even tighter around the school, so please can I remind you to be considerate to the local residents while this continues. It will be worth it when the school is revamped. It has been brought to my notice that some of the girls are wearing 'fashion' trousers which are low cut. These are inappropriate for school as they are uncomfortable for the children when sitting down and do not hide their modesty! Please consider this when buying the next pair of trousers. Thank you for all your good wishes with regards to my retirement. Can I ask you to please fill in the box at the bottom of this letter with the characteristics that *you* would like to see in a new Head? This way your input is felt in the recruitment process. We have already done this with the children and so far their comments have included "somebody who smiles a lot", "wears bright colours" and "can tell good stories".

Have a lovely Half Term

Best wishes
