No 9 Spring Term
9th March 2010

Dear Parents

Thank you all for filling in what you like and would like to change at Meadowcroft. I was really touched by all your wonderful comments about the school and staff at Meadowcroft. It is a real pleasure to hear so much positive feedback.

Something that stood out was the request for an Early Morning Club. You may recall that we attempted to set something up earlier this term with Miss Afzal but only received 2 responses which made it non-viable. If you are serious about this, I will attempt again to re-gain some funding for the summer term but please seek me out or email the office (info@meadowcroft.surrey.sch.uk) to let me know. Obviously the more of you that can commit the better.

As your child may have told you, we have changed our lunchtime arrangements slightly and children who bring packed lunches are now sitting amongst those who have school meals. This is in an attempt to lessen the chatter noise that has been becoming more noticeable.

As you will notice below, the Friend of Meadowcroft held their AGM yesterday. Schools nowadays are restricted in their funding and all the money raised by the Friends support the children in every way. Over the years they have bought books for the library, paid for trips, paid for parties and visitors and generally enhanced our school life. I would like to thank Elle Mohan for her hard work as Chair and welcome Yvonne Siggemann to the role.

Remember the Friends benefit your child and your help is very gratefully received. We have attached a list of reasons to help out!

Best wishes

HAPPY BIRTHDAY!

Tennis Roadshow - Thursday 18th March 9.30 -11.00

Is your child the next Andy Murray or Elena Baltacha? Thanks to Sports England, we are able to offer each child an opportunity to have a taster session of tennis. They will then be offered a regular tennis club and letters will go home on the 18th with more information.

Message from the Friends of Meadowcroft

I would like to take this opportunity to thank our former Chair of the Friends, Elle Mohan for her continued efforts, suggestions and involvement in our school to date. Our children have benefitted tremendously and for this we will be forever grateful.

I have been voted in as the new Chair and Sajal Siddiqui as Co-Chair and am happy to announce that we have accepted these positions. As excited as we are, we trust that the rest of our parents will come together, have fun in doing so, and help us take this school to a whole new level, not just for us but for **OUR** children.

We are looking forward to seeing a lot of new faces at our next meeting (**15th March at 14:30**). After all, what is the point of a Friends without any members... what's a school without Friends?

Yvonne Siggemann (Mum of Luke in Hedgehogs)
