

# Fun Family K'NEX Session

This is an exciting course designed for parents/carers and children aged 4 - 12 to work together and in a team on a Family K'NEX construction project. You will be using K'NEX Construction Kits and will be under the guidance of an experienced K'NEX trainer. This course is offered in partnership with Planet K'NEX, The K'NEX User Group and the Surrey Family Learning Service.

On the course you will learn about:

- K'NEX construction kits and how they can help teach physical science in a fun and practical way
- Forces- motion, friction, wheels, axles.
- Building structures using rods and simple connectors
- Using problem solving skills to meet the challenge set.
- Experimenting with a range of different motors and gears to power your vehicle
- Testing and improving the performance of your vehicles
- But mostly, just having fun!!

Please note: The session is two hours long.  
The workshop will take place at Meadowcroft School.  
Dates 5<sup>th</sup> May 2010  
Time 9.30 - 11.30 am

Adult/s are expected to accompany their child/children and to actively join in the course  
Places will be allocated on a first come, first served basis.

*Please complete the slip below and return it to the school office by 30<sup>th</sup> April.*
