No 1 Summer Term
20th April 2010

Dear Parents

Welcome back to the summer climes of Meadowcroft. What a good start to the summer term.

We did an assembly yesterday where we talked about the weather and meteorology, including the fallout from the volcano in Iceland which has delayed Mrs Foster in Australia. We talked about the good and bad elements of the weather and obviously, as lovely as the sun is, it does have its dangers as well. This is my subtle way of reminding you that the children do need sun hats in school and water bottles. Also, if you feel that your child needs sun cream, please can you apply it at home as we are not able to do it here. Please also can you make sure that your child's PE kit is in school with plimsolls that fit as PE will move outside in good weather.

We have various outings planned this term around our topic of the Seaside and we will give you more details with the Field of Learning. Term dates will be published in this letter next week.

I would like to remind you that the school will be closed for polling on Thursday 6th May and we will be taking an Inset day on the Friday which makes that week very short as the Monday is the May Bank Holiday.

Now that the garden is growing beautifully, we would appreciate a few keen gardeners to help us to tidy up the front and side gardeners. If you could spare an hour whenever it's convenient to you it would make a real difference to the school's appearance.

This is always an enjoyable term and we are all looking forward to new adventures and learning.

Best wishes

Huge congratulations are due to Mrs Lancashire for the birth of her little boy Isaac on Friday 16th, and also to Miss Humphries (Kian in Hedgehog's Mum) for the birth of her little boy, yet to be named. We can't wait to meet the babies.

Football (Mondays), Tennis (Wed) and MultiSports (Thurs). If your child is doing any of these clubs, please can you make sure that they have trainers in school on that day.
Thank you

Birthdays this Week

Hannah Mohan
HAPPY BIRTHDAY!

CHARITY FLOWER

Mr Penfold (Mrs Penfold's husband) will be running the London Marathon this Sunday in aid of Oxfam. Obviously we would like to support him so, on this Thursday and next Tuesday (reading and maths mornings) we will have a giant Meadowcroft Daisy laid out in the library and we are asking you to try to cover the daisy with change which we will then pass on to him.

Thank you!
