No 4 Summer Term
11th May 2010

Dear Parents

The term is rushing by and half term is almost upon us. However before we get there we still have many exciting things planned for the children. Next week will be our Outdoor Week where we hope and pray that the sun will continue to shine. The children will be working outside all week, so please make sure that they come to school with suitable clothing (waterproofs and wellies or sunhats depending on the weather). We also have the Surrey Science and Technology bus coming on Wednesday for the Foxes and Badgers which should be very interesting.

Next Friday (28th) I will be talking to parents at the start of the school day and at the end (for those who can't make the 1st meeting) to explain our Sports Day to you and to answer any questions that you may have. I hope to see as many of you as possible as we are very excited about our Day at the Races and are looking forward to it.

We have had a visit from our local police officers today who talked about safety and stranger-danger to the children. Please can you reiterate the message that your child should never go anywhere with anyone they don't know. They will be coming home with lots of goodies from the police!

Many thanks
