No 6 Summer Term
25th May 2010

Dear Parents

I'd like to say a BIG "thank you" to Mrs Beszczynski and Mrs Siggemann for their valiant efforts at tidying up the garden. They have done such a staunch job that they are making it into a social gathering, and for the next few Fridays (excluding half term) will be meeting after drop off to continue the work and are inviting you to stay and join them for as long or as short a time as you can spare. All contributions of your time will be gratefully received. Mrs Feeney and Mrs Carter are jointly redesigning some of the areas by the classrooms and a big "thank you" goes to them too.

Aren't we fortunate with the weather for our Outdoor Week - planned, of course! It has been a joy to see the children taking their learning outside. We have had observation drawings of fish, weaving, pebble painting, clay work, shell making, sea picture painting, making sun glasses and collages and much more. The children are having great fun.

Can I remind you all please about the meeting for our Ascot races - they will be this Friday (28th) at drop off and at 2.45pm for those who can't make the first one.

We will be participating in Chertsey's Black Cherry Fair again. The theme this year is Fairy Tales and it is on Saturday 10th July. I appreciate that there is lots going on and we are trying to come up with ideas that are simple and doable. I hope that you will consider participating in this, the 10th year that we have taken part in the parade.

Many thanks
