No 10 Summer Term
29th June 2010

Dear Parents

The children are currently preparing for transition to the next school year. Year 2s are visiting their new schools and the children still at Meadowcroft have a series of visits to their new classrooms over the next few weeks. Even though we are small and children have the opportunity to work and play across the year groups, change can sometimes affect small children. For some children the change can be quite distressing and in those cases we prepare a little photo album so that the child can become familiar with the new teachers and their new environment.

I really would appreciate you taking a little time to complete the pro-forma below to help us improve - it is an opportunity for you to have your say. I know this is a very busy time but I would like to know your views.

Don't forget our Summer Fair! It's on Thursday, straight after school and is a major fundraiser for our Friends. It is also lots of fun! Please do come and support us.

As usual we will be taking part in the Black Cherry Fair on Saturday 10th July, as this promotes our school in the community. The theme this year is traditional stories and we have decided to take the story of the Pied Piper. A letter will be following and we need to know whether you will be able to join us as we are looking for a Pied Piper!

Finally, we hold an Open Evening for the children to receive their reports and for you to meet their new teachers. The school will be open from 5pm - 7pm on Wednesday 7th July. Please come along at any time between 5 and 7pm, with your children, and they will talk about their learning with you.

Best wishes

Questions for next year:

- What do you like about us?
- What can we do to improve?
- How well do you think we provide care and guidance for your children?
