World Sight Day  
8th October 2009

To mark World Sight Day this year, we will be holding an eyewear competition. Design and make your unique eyewear and win a prize. A winner will be selected from each class.

So to all those young budding designers, bring out the glitter, paints and glue!

World Sight Day (WSD) is an international day of awareness, held annually on the second Thursday of October to focus attention on the global issue of avoidable blindness and visual impairment.
